

The Lower Level of the Cathedral has three meeting room options depending on the size of the group and requirements for the event.

The **Sacred Heart Conference Room** is well suited for 8-12 people. It is equipped with a TV for screen sharing, small copier / printer, and dry-erase board.

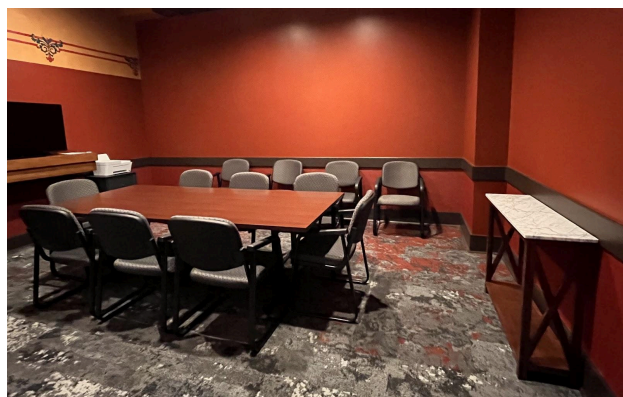

The **Halpine Room** is designed for business meetings and presentations. From an elevated position on the stage, the presenter is visible for all seated. Tables are arranged facing the stage. This room is well suited for 30- 50 attendees seated at tables.

The **Heiring Auditorium** is best suited for social gatherings that may include catering, presentations, and live or streamed music. Comfortable seating will accommodate 120 guests at round tables. Additional seating is possible and might be available depending on furniture demands from other events, allowing for a maximum of 158 guests.

Tables and chairs in the Halpine and Heiring rooms have espresso color table tops with black metal legs. All the chairs have black metal legs, brown padded seats and brown wood seat backs. AV equipment, depending on the room, includes a TV or drop screen, and an integrated audio system in the Auditorium. The two larger rooms have laptop and microphone options. A speaker podium and rolling white board is available upon request.

### **Sacred Heart Conference Room**

Furnished with a conference table, 12 chairs, and a sidebar for presentation materials or refreshments. It is located in the center of the hallway, directly across from the water fountains.

**Halpine Room:** Seats up to 54 at tables.

Located at the end of the hallway, it is adjacent to the Sacred Heart Conference Room. There are 19 rectangle (oblong) available tables measuring 2 ft wide x 6ft long with 38 armchairs.

The standard set-up has 4 rows of 4 tables in the center. Two tables are placed to the south (left) of the entrance. Each table has two chairs per table. One table is set up as a coffee bar to the north (right) of the entrance. Additional chairs line the walls to provide extra seating.

**Auditorium:** Seats 120-158 at 21 round tables measuring 60 inches across. This room offers the largest seating capacity and is located immediately across from the elevator or the base of the stairs.

The standard room set-up has 3 rows of 5 tables in the center of the room. Each table comfortably seats 6 people. The additional tables can be set up to the north of the columns. The 4 pub tables are set across from the coffee bar at the south end of the room. An oblong table is placed just inside the doors across from the elevator.

Six foot tables are available upon request and could be used for product displays, food service, or a head table in front of the stage.
